Well, this is how it was and how it is,
You never learn when you stop and turn.
I never needed, no, I never needed
That the sign of where I belong.

Take a look who you are,
No one cares, can't you see?
It's only care and see.
In and out, up and down,
What it be, what to see,
It's all jealousy.

I wanna stay alive
Cause no one cares if I live or die.
I wanna stay alive
Even if I walk in a dead man's shoes.

Yeah, this is how it goes this time around
You never learn when you crush my ground.
You need to get it out of your mind
Cause you know where you belong.

Take a look who you are,
No one cares, can't you see?
It's only care and see.
In and out, up and down,
What it be, what to see,
It's all jealousy.

I wanna stay alive
Cause no one cares if I live or die.
I wanna stay alive
Even if I walk in a dead man's shoes.
