I'm on my way, I need it now.
Last call for alcohol.
My limitation, my only sin.
Last call for alcohol.

I don't want to crash and burn,
And I never seem to learn at all.

Party ain't over 'til I say so,
And I feel good tonight.
I'm just getting started and I hate you,
I just might start a fight.
Need nobody's guilty hands,
Taking care of me tonight.
I'll be just fine.

I need a drink, I need it now.
Last call for alcohol.
The bell is ringing,
I can't get enough.
Last call for alcohol.

I don't want to crash and burn,
And I never seem to learn at all.

Party ain't over 'til I say so,
And I feel good tonight.
I'm just getting started and I hate you,
I just might start a fight.
Need nobody's guilty hands,
Taking care of me tonight.
I'll be just fine.

Party ain't over 'til I say so,
And I feel good tonight.
I'm just getting started and I hate you,
I just might start a fight.
Need nobody's guilty hands,
Taking care of me tonight.
I'll be just fine.
