You want some time alone
But I don't think I'll be that strong
I need to know
How much
How long
Where do I belong?
How much
How long

Run to your mama
'Cause you can't stand the road
You better run and leave us alone
Run to your mommy before you lose control
Run and leave us alone

Don't know where I shall walk
I follow your steps
But something goes wrong
I need to know
How much
How long
Where do I belong?
How much
How long

Run to your mama
'Cause you can't stand the road
You better run and leave us alone
Run to your mommy before you lose control
Run and leave us alone!

I need to know
How much
How long
Where do I belong?
How much
How long

Run to your mama
'Cause you can't stand the road
You better run and leave us alone

Run to your mommy before you lose control
Run!

Run to your mama
'Cause you can't stand the road
You better run and leave us alone
Run to your mommy before you lose control
Run and leave us alone, yeah.
