Oh yeah!

Cannot remember last night, no
Think I behaved like an asshole
But she told me I was nice though
Two stars tattooed on her body
That I know

Talk
Give me a memory of some kind
Walk
Sunshine

What did I do?
What did I do, that went wrong?
Cannot remember anything
Nothing at all
What did I do?
What did I do, that went wrong?

What did I do, that went wrong?
What did I do, that went wrong?
Give me a memory of some kind
Sunshine

Cannot remember last night, no
Jeans jacket
Green tobacco
So you think I'm being bored, oh
Her attitude
Just like a freak show, yeah

(So!)
Give me a memory of some kind
Sunshine

What did I do?
What did I do, that went wrong?
Cannot remember anything
Nothing at all
What did I do?

What did I do, that went wrong?

What did I do, that went wrong?
What did I do, that went wrong?
Give me a memory of some kind
Sunshine

Cannot remember last night, no
Jeans jacket
Green tobacco

(Go!)
Give me a memory of some kind
Sunshine

What did I do?
What did I do, that went wrong?
Cannot remember anything
Nothing at all
What did I do?
What did I do, that went wrong?

What did I do, that went wrong?
What did I do, that went wrong?
Give me a memory of some kind
Sunshine
