When you walk in your boots
Looks like you've crapped in your pants

If a girl walks up to you and say "hey stud"
You just piss in your pants

I've heard your a man
With his dick in his hand
Swing it all around
So tuff with the boys
You make lotta noise
Insecure, you're the man!

Wow! check him out!
Last boy got laid in town!
Hey! check him out!
He's got the bad boy snot
Wild like hell!

Wild boys will be wild, still acting like a child
Wild boys will be wild, still acting like a child

Oh yeah!

Suck on your thumb shut up!
Don't wanna hear your voice
Stay out late, make out, bring a friend
"ich bin dein diese nacht"
You're my favorite toy!

I've heard your a man
With his dick in his hand
Swing it all around
A hug from your mom
Would do you no harm
I mark you with my skull-ring!

Wow! check him out!
Last boy got laid in town!
Hey! check him out!
He's got the bad boy snot
Wild like hell!

Wild boys will be wild, still acting like a child
Wild boys will be wild, still acting like a child...

Wild boys will be wild, still acting like a child
Wild boys will be wild, still acting like a child

Oooh, yeah, oooohohoyeah oooooohooh

Ouuuuuuuuuuuuuuuuuuuuuuuuuuuuuu

Wow!

Check him out!

Last boy got laiiiiid...

Wow, check him out,

Last boy got laid in town

Hey check him out!

He's got the bad boy snot

Wild like hell

Wild like hell

Wild like hell

Wild like hell

Wild boys will be wild, still acting like a child

Wild boys will be wild, still acting like a child
