Oooh no, no no

I hate it when you touch me
All your jealousy
You don't really know me
Damn I need something new
I'm sick of being your tool
Not my fantasy
I'm not your clown
I'm not your fool
Damn I need something new

Envy
Empty
Won't go to heaven for sure
Greedy
Jealousy
No place in heaven
It's full
Oooh
No more!

Sentimental bullshit
Time to take a zip
I'm sick of being your prick
Damn I need something new

Envy
Empty
Won't go to heaven for sure
Greedy
Jealousy
No place in heaven
It's full
Ooooh
No more!

Envy
Empty
Won't go to heaven for sure
Greedy

Jealousy
No place in heaven
It's full

Envy
Empty
Won't go to heaven for sure
Greedy
Jealousy
No place in heaven
It's full!
Nooo, no more!
Woah, no more
