"All You Know"

Visit "[All You Know](#)" on MotoLyrics.com

All you know

Has just slipped away

Still you go on

Waking up each day

How'd you get

Into this state?

Countless hours

With no end in sight

Counting promises

That turned into lies

Everyone

Got in your way

Everyone

Got in your way

Countless hours

With no end in sight

Counting promises

That turned into lies

Everyone

Got in your way

Everyone

Got in your way
