Fuck the government,
Fuck the government,
Fuck the government,
Yesterdays dole check is already spent,
Shit I forgot to pay the rent,
The government doesn't fucking care,
Cause were fucking freaks,
Fucking freaks with long hair,
Fuck the government,
Fuck the government,
Fuck the government,
The burden of the government is such a game,
Shame on the government, shame, shame, shame,
The government tells you what you can't do,
Do we really give a fuck about political views,
The government speaks such fucking shit,
Talk like me after a cocaine hit,
Fuck the government,
Fuck the government,
Fuck the government,
Declare the war against society.
I am the Lizard King, i can do everything
