Na na na  
Na na na  
Na na na

I know how you feel, girl, I've been there many times  
before  
I got a pick up, I'm walkin' out the door  
Sometimes hopin' is all that we can do  
In mind and spirit, girl, I'm always there for you

Every time I think about us, the way it's got to be  
You know someday we will work it out  
When all that we wish for is just a memory

Anytime you need me, I'll be there  
Anytime at all, just say the word  
Just you say the word and I'll be there  
Anytime you need me, girl I will be there

The nights seem longer, the days feel just the same  
Well a little more lonelier than yesterday  
Sometimes words ain't easy to explain  
Whether I'm here or gone, the feeling stays the same,  
oh yeah

Every time I think about us, the way it's got to be  
You know someday we will work it all out  
When all that we wish for is just a memory

Anytime you need me, I'll be there  
Anytime at all, just say the word  
Just you say the word and I'll be there  
Anytime you need me, girl I will be there

Oh yeah, oh yeah, alright

Anytime you need me, I'll be there  
Anytime at all, just say the word  
Just you say the word and I'll be there  
Anytime you need me I will be there

Na na na

Na na na  
Na na na
