Keeping our promises alive
What am I supposed to do?
Watching the shadows far behind
Always you out of the blue
Are we strong?
Are we strong enough to be just one?
Don't we stop?
Don't we stop again? We need each other
Never surrender, try to remember
Our days of Avalon
Telling our story, do you feel our glory?
There's a turning back, I can't go on
You're the only one
The only one I've ever loved
Our sacred hearts
Will keep our love alive and strong
The only one
The only one I've ever loved
You're my sacred one
The only one who holds my heart
Sharing our lives hand in hand
Who am I supposed to pray?
Living our dreams of hope and love
Tell me what could I do
Are we strong?
Are we strong enough to be just one?
Don't we know?
Don't we know again? We need each other
Never surrender, try to remember
Our days of Avalon
Telling our story, do you feel our glory?
There's a turning back, I can't go on
You're the only one
The only one I've ever loved
Our sacred hearts
Will keep our love alive and strong
The only one
The only one I've ever loved
You're my sacred one
The only one who holds my heart
Don't turn your back to me, another day is passing
by

I need your love
Oh yeah!
Hold me in your arms
Youâ€™re the only one I ever loved
Never surrender, try to remember
Our days of Avalon
Telling our story, do you feel our glory?
Thereâ€™s a turning back, I canâ€™t go on
Youâ€™re the only one
The only one Iâ€™ve ever loved
Our sacred hearts
Will keep our love alive and strong
The only one
The only one Iâ€™ve ever loved
Youâ€™re my sacred one
The only one who holds my heart
Youâ€™re the only one
The only one Iâ€™ve ever loved
Our sacred hearts
Will keep our love alive and strong
The only one
The only one Iâ€™ve ever loved
The only oneâ€¦
