I face each day
Knowing there's something I can't say
Little lies never go away
They always hide to come back
One day
It's only worse then
Sometime it's gonna get back to you
That I've been doing something
Yeah something so wrong
Did I pretend nothing wrong
For so long that I believe that I really wanna be
Here with you
And all I know the dream is gone
Oh yeah you want love but I'm never gonna give it to
you
I'm never gonna give it to you
The lies you ate
Are plied up on to your plate
And make this all worth nothing
Sometime it's gonna get back to you
That I've been doing something
Yeah something so wrong
Did I pretend nothing wrong
For so long that I believe that I really wanna be
Here with you
And all I know the dream is gone
Oh yeah you want love but I'm never gonna give it
To you
I'm never gonna give it to you
