(Hess)

I stand before you accused of many crimes
But I want to believe that love can still survive
You don't have to say it, I don't have to read your mind
To know that emptiness has finally arrived
How was I to know right from wrong
Words were hardly spoken, so where did I go wrong
Tell me honestly, if you're still loving me
Looking into my eyes honestly
Words have more meaning, if they're said at certain
times
I need you now so I can feel alive
How would you know if you won't give me some time
To see if everything could work you'll be mine
I'll be lost forever or someday I may find
The words that I've been searching for or just some
peace of mind

Chorus

All the nights I sit and wonder there must be more life
I'm sure that days and years go by while
I am living with, living with a lonely feeling

Chorus
