I stand before you accused of many crimes
But I want to believe that love can still survive
You don't have to say it, I don't have to read your mind
To know that emptiness has finally arrived
How was I to know right from wrong?
Words were hardly spoken, so where did I go wrong?

Tell me honestly, if you're still loving me
Looking into my eyes honestly
Words have more meaning, if they're said at certain
times
I need you now so I can feel alive

How would you know if you won't give me some time
To see if everything could work you'll be mine?
I'll be lost forever or someday I may find
The words that I've been searching for or just some
peace of mind

Tell me honestly, if you're still loving me
Looking into my eyes honestly
Words have more meaning, if they're said at certain
times
I need you now so I can feel alive

How would you know if you won't give me some time
To see if everything could work you'll be mine?
I'll be lost forever or someday I may find
The words that I've been searching for or just some
peace of mind

All the nights I sit and wonder there must be more life
I'm sure that days and years go by while
I am living with, living with a lonely feeling
