Come and be true
And purify all that is you
The soul can re-group
Ascending to higher love

Hailed by God
Failed by you
Nailed by every little thing you do
Saved by God
Failed by you
De-railed by catatonic blinded youth

We won't...

All that we do
Is repeat like some prophetic fool
And walk in lead shoes
Complacent and morally screwed

Hailed by God
Failed by you
Nailed by every little thing you do
Saved by God
Failed by you
De-railed by catatonic blinded youth

We want change
And feel the karma cleansing
Feel so sane
In the throes of madness

We want change
And feel the karma cleansing
Feel so sane
In the throes of madness

We want change
And feel the karma cleansing
Feel so sane
In the throes of madness

And feel the karma cleansing
And feel the karma cleansing
And feel the karma cleansing
And feel the karma cleansing

And feel the karma cleansing
And feel the karma cleansing
And feel the karma cleansing
And feel the karma cleansing
