(Hess / Lesperance)

A mousy little girl with a braid in her hair
Scurred around trying to clean up the house
Someone's coming over tonight
She's dying to see

She gives me the signal we meet in the yard
We've done it for years and it makes it so hard
When the neighbors all look out their windows
So they might see

(Chorus)

Ah and Lauralie
When will I see you again
Oh and Lauralie
I'm in love with you just like my friends
I need some protection from this strange affection
Oh and Lauralie
You're sucking me in

Three in the morning I finally give in
So hard to wait when I know where she's been
She's giving at all the way
And not just to me

I long for the nights when I drink by the phone
And wait for the call when you're finally alone
To prove that I love you
As drunk as I'd be

(Chorus)

Come by the morning
Never a warning
She's onto me
Everyday hoping
Pledge my devotion
You're everything
Least everything I need

I need some protection
Lauralie when will I see you again

Oh and Lauralie
I'm in love with you just like my friends
Lauralie when will I see you
When will I see you again
I need some protection from this strange affection
And Lauralie
You're a lie
Lauralie you're sucking me in
