Every moment I've waited  
Counting down the hours  
Caught in the falling sands of time  
I'm feeling frustrated in my ivory tower  
Without ever knowing compromise  
And now all we can see  
Is there for you and me  
We're the lucky ones  
Waiting for tomorrow  
We don't share your sorrow  
Cause we're the lucky ones  
Taken the pieces  
Get it straight in your mind  
Given a reason you'll decide  
You take it or leave it  
You're feeling on the outside  
Heaven knows at least you tried  
And now all we can see  
Is there for you and me  
We're the lucky ones  
Waiting for tomorrow  
We don't share your sorrow  
Cause we're the lucky ones  
When it's something you've felt for a long time  
You gotta leave it or let it go  
You say you mean it you say you believe but you don't  
And now all we can see  
Is there for you and me  
We're the lucky ones  
Waiting for tomorrow  
We don't share your sorrow  
Cause we're the lucky ones
