Got your hands tied, yet you're free
To take chances and to dream
Never sold out, never preached
Are you God's Child? Are you greed?
Wherever you go time follows
Heartache still reigning over you
Life's a snake, all full of teeth
That has swallowed me, yeah all of me
Ain't it funny how the highs and all the lows
Just outside your window?
Ain't never gonna change, so you better fly
Or you'll fade away?
Poisoned your mind to believe
That you won't find inner peace
On the dark side under siege
There's no view unless you lead
Wherever you go time follows
Heartache still reigning over you
Life's a snake, all full of teeth
That has swallowed me, yeah all of me
Ain't it funny how the highs and all the lows
Just outside your window?
Ain't never gonna change, so you better fly...?
Ain't it funny how the highs and all the lows
Just outside your window?
Ain't never gonna change, so you better fly
Or you'll fade away?
Wherever you go time follows
Heartache still reigning over you
Life's a snake, all full of teeth
That has swallowed me, yeah all of me
Ain't it funny how the highs and all the lows
Just outside your window?
Ain't never gonna change, so you better fly...?
Ain't it funny how the highs and all the lows
Just outside your window?
Ain't never gonna change, so you better fly
Or you'll fade away?
Just outside your window
Just outside your window
Just outside your window
Just outside your window
