Now forever after  
Is once upon a time  
And today's disaster  
Ain't too hard to find

Well there's always something  
Oh, to live in fear about

Rise and the fall  
We aim and we miss, it's always do or die  
Rise and the fall  
Creating the myth, we're all living a lie

You can feed the masses  
Unforgivable lies  
And they'll still follow  
Blind leading the blind

Well there's always something  
Oh, to live in fear about

Rise and the fall  
We aim and we miss, it's always do or die  
Rise and the fall  
Creating the myth, we're all living a lie  
I am the one  
Creating the myth, we're all living a lie

Well there's always something...

Rise and the fall  
We aim and we miss, it's always do or die  
Rise and the fall  
Creating the myth, we're all living a lie  
I am the one  
Creating the myth, we're all living a lie

Rise and the fall  
We aim and we miss, it's always do or die  
Rise and the fall  
Creating the myth, we're all living a lie

I am the one  
Creating the myth, we're all living a lie
