I don't know where to find sanctuary
Clutching a cross receipting ten Hail Mary's

Preaching a holy war
Kicking in heaven's door
Under a setting sun
Darkness bleeds

Now, Heaven and Earth have allowed
To spread the disease, so live for today
Tomorrow may be gone

Trying to understand a misguided point of view
Hearing the voice of God and dying to make it true

Preaching a holy war
Kicking in heaven's door
Under a setting sun
Darkness bleeds

Now, Heaven and Earth have allowed
To spread the disease, so live for today
Tomorrow may be gone

Now, Heaven and Earth have allowed
To spread the disease, so live for today
Tomorrow may be gone

Time stands still and now I can't breath in the blink of
an eye
Intervention falling hard like thunder from the sky,
burning you alive...

Now, Heaven and Earth have allowed
To spread the disease, so live for today
Tomorrow may be gone

Now, Heaven and Earth have allowed
To spread the disease, so live for today
Tomorrow may be gone (may be gone)

So live for today
Tomorrow may be gone (may be gone)

Now, Heaven and Earth have allowed
To spread the disease, so live for today
Tomorrow may be gone
