Apopse pire adia, ke me tin tsepi adia,
travai gia tin poli,
Richni ena "gia sou" sto frouro,
saltari s'ena fortigo,
ki o Charos den glitoni

Ela, stin pareia mas, fantare
katse, ki ena potiraki pare,
Xechna stratones ke skopies,
ki apo to brousko tis kardias mas pies,
Xechna stratones ke skopies,
ki apo to brousko tis kardias mas pies

I poli san ti goissa, san tin palia archontissa,
anavi ta kollie tis
Ma san ton ferni sta stena,
ton kouventiazi i monaxia
pou perni angkaze tis

Ela, stin pareia mas, fantare
katse, ki ena potiraki pare,
Xechna stratones ke skopies,
ki apo to brousko tis kardias mas pies,
Xechna stratones ke skopies,
ki apo to brousko tis kardias mas pies

I dromi ton kourasane, parapona ton piasane,
sto tavernaki beni
kasion na vri gia ena pioto,
na 'choun ton idio to kaimo,
mazi na doun pou vgeni

Ela, stin pareia mas, fantare
katse, ki ena potiraki pare,
Xechna stratones ke skopies,
ki apo to brousko tis kardias mas pies,
Xechna stratones ke skopies,
ki apo to brousko tis kardias mas pies
