(DJ Quik)

Yes i'm too smart to get fucked, ah so the case may be  
That's how the ho felt when she found out that she  
couldn't play me

I know the game and I know it rather swell  
To rubbin up on my dick & given me hints that you ??  
as well

You figgure first kiss my lips & rub my hips then you  
take a sip

Of Hennessy hit the budda pass out and i'll take the strip  
Hell naw monkey mouth trick, ya stupid ho

You must be a fool if you thinkin that I don't know  
But naw you broke ass hoes be tryna come up, shakin  
that money maker

But I brake her cuz the bitch is a faker  
Or maybe she just don't know the formula, of how to  
get rich quik

Without havin to make ?? the dick

That all a bitch know, is how to be a mega ho  
I guess it just goes to show that shes to ignorant to  
know

That I won't be played, or ganked or gaffled but I ain't  
perfect

I woop the dick out every know and then and let em  
slurp it

But i'm careful bein aware of the bitches  
That's chargining niggaz on purpose cuz they think  
they deserve it

Yeah that's some cold shit, my experince oughtta learn  
ya

That if a nigga ain't tryna smoke ya a bitch tryna burn  
ya, so trust no

(DJ Quik: chrous x2) \*mixing, mixes\*

Trust no bitch, punk bitches

Trust no (ho) funky cock hoes

(Playa Hamm)

I refuse to loose so I choose few and trust none  
See my ladies I love, but to you bitches I ain't the one  
When I tell you to trust no bitch, it might not occur to

you

Females ain't the only bitches that i'm reffering to  
See you can't help a bitch, let alone treat swell a bitch  
Cuz a bitch sold out, gone sell out or the bitch gone  
snitch

Bitches wanna be & always go be around  
Watching what you do, tryna use you and keep you  
down

Playa Hamm ain't gone boil with a story you got ya own  
I'ma strength in your condition to get a dogg a bone  
And move own till a muthaphukka fake you, fuck you  
And make you take they punk bitch ass to the bank fool  
See bitches get paid, see bitches got charm  
I see em all at the mall, on tv & on my homies arm  
See some of my homies got bitches, but we breakin  
bitches homie  
So I come like this bitch, act like you know

(DJ Quik: chrous x2)

(Eazy-E)

Eazy-E the muthaphukkin mininpulator, when it comes  
to pussy hoes

Just watch how my dick rolls

But since all hoes fall in the bitch catagorey

Trustin no hooker ass bitches its mandatorey

How much do you you want bitch, how much can you  
take

Cuz a nigga like tha E you can't brake

With that skinny little ass in my face and i'll slap it

Whip out my dick and let you lick before I tap it

My left hands on your ass, my right hands on your  
head

Cuz bitches get the nut and niggas get the leg

Suckin my dick, lickin my balls you make me come  
faster

Suckin my toes, lickin my ass you know you are the  
master

Now you just won't stop

Suckin everybody's dick cuz it's good till the last drop

But that shit won't phase me

I trust no car wreckin bitch, this ones for you tracey

(beeiotch echo)

(DJ Quik: chrous x4)

(AMG)

Pussy ain't nuthin but a hoe that at nine do

And if you suck the dick right and the pussys tight

Once a dog always a dog bitch  
You little trick, tramp, slut with the big but
