(Harlan Howard)

If I could be with you forever
My restless heart would never want to roam
I've never been loved like you loved me
I wish I felt this way at home.

When you kiss me it's words without speaking
I don't believe that God would call this wrong
Your arms are the refuge I was seeking
I wish I felt this way at home.

But I don't and I won't I gave all that I could
She and I tried hard but it's just no good
I may never be free I've no reason
And I can't expect for you to wait too long
But I'll say one more time as I'm leaving
I wish I felt this way at home...
