I've got a tiger by the tail it's plain to see
And I won't be much when you get through with me
I'm losing weight and turning mighty pale and it looks
like I've got a tiger by the tail

Now I've thought the day I met you you were meek as a
lamb
Just the kind to fit my dreams and plans
But now the pace we're living takes the wind from the
sails
And it looks like I've got a tiger by the tail
I've got a tiger by the tail...
[guitar]
Now every night you drag me where the bright lights
are found
There ain't no way to slow you down

And I'm about as helpless as a leaf in a gale
And it looks like I've got a tiger by the tail
I've got a tiger by the tail...
It looks like I've got a tiger by the tail
