If I can hide my tears somehow forget your broken
vows
And maybe the hurt will go away
If I can find somebody new I might get over you and
maybe the hurt will go away
Now I'm gonna miss your love and kiss but since that's
how it is
I'm gonna start my little campaign today
Ain't gonna let love get me down I'm gonna paint the
town
And maybe the hurt will go away
[ac.guitar - guitar]
If I can fool everybody else and I might fool myself and
maybe the hurt will go away
If I pretend I don't love you someday it might be true

Then maybe the hurt will go away
Now I'm gonna miss your love...
Oh maybe the hurt will go away
