One more day
I can't believe what you're sayin'
So so strange
You and I were driftin' away
I just can't break away
The end of a long long line
Yeah yeah

Since you've gone away
I'm going out of my mind
Oh whoah
(It's all over now)
Whoah whoah
(It's all over now)

Where do you go?
Who takes you in?
Who feeds you now?
How should I know
If you're free or up against the wall

I just can't break away
The end of a long long line
Since you've gone away
I'm going out of my mind

Whoah whoah whoah
(It's all over now)
Whoah whoah
(It's all over now)
Whoah whoah whoah
(It's all over now)
It's all over now

BRIDGE

Foolish things
That we said when we were together
I still remember
(Still remember)
The day you lost your smile forever

I just hope you know deep in my heart I still love you so
Oh baby
One more day
Just can't take it no more
No no no no
(It's all over now)
No no
It seems like a dream you and me baby
(It's all over now)
I can't stand to see your face anymore
I tore up your number
Took your pictures off my wall
(It's all over now)
Ooh it's over
It's over
It's over
It's over
It's over
(It's all over now)
It's over
It's over
It's over
It's over
It's all over now
It's all over now
It's all over now
