Look into my eyes  
Tell me you won't suffer for any other  
Take away all these separate days  
Be my double  
Stay with me all through my life  
Cross the Bridge of Sighs  
Are we friends or lovers, or something other  
Be my double, leave the past behind  
Be my double, stay with me tonight  
Chorus:  
One on one all along  
Oh, I need to be near you  
Be my twin  
One on one or alone  
Oh, I need to be with you  
Be my twin  
Petrol blue your smile  
Wrapped in sheer nostalgia of wealth and power  
I'll cross your heart with a credit card

Be my double  
Let me be your alibi  
Forgery and style  
Angel of desire, I'll feed your fire  
Be my double, steal a brand new life  
Be my double, stay with me tonight  
Chorus:  
One on one all along  
Oh, I need to be near you  
Be my twin  
One on one or alone  
Oh, I need to be with you  
Be my twin  
One on one all along  
Oh, I need to be near you  
Be my twin  
(Be my mirror life)  
(Be my past and present)  
(Look into the future)  
(Stay with me tonight)  
Chorus x 03
