S-somewhere in the night turning to the right  
Something clicks inside of your head  
A taste of mystery creepin' over me  
Shadows of an unknown dread  
Superstitious Feelin', Superstitious Feelin'

The flashing of a light slashes through the night  
Changing colours in the haze  
You meet a strangers eyes gripping like a vice  
Noises sounding out of place

Superstitious Feelin' runnin' all around my head  
Superstitious Feelin' I don't know why but I think that I'd  
be better off dead, oh yeah

There's trouble up ahead, my mind is flashing red  
And evil's just around the bend  
You're in a cold embrace lost without a trace  
It's gettin' very near the end

Superstitious Feelin' runnin' all around my head  
Superstitious Feelin' I don't know why, I think I'm goin'  
out of my head

Superstitious Feelin' runnin' all around my head  
Superstitious Feelin' don't know why  
Superstitious Feelin' runnin' all around my head  
Superstitious Feelin' I don't know why I think that I'd be  
better off

(Superstitious) Superstitious  
(Superstitious) Feelin'  
(Superstitious) Goin' round and around my  
(Superstitious) Superstitious  
(Superstitious) Feelin'  
(Superstitious) Goin' round and around my head  
(Superstitious) Said I might be  
(Superstitious) Yes I might be  
(Superstitious) Better off if I were dead
