I was standin' on the edge of town  
I was doin' my best to flag a taxi down  
I was thinkin' of you

I was lookin' at your photograph  
Couldn't help myself  
I just had to laugh

I was drinkin' to you  
I'll be thinkin' of you  
Thinkin' of me  
Thinkin' of you  
Next time round

I was feelin' just a bit frustrated  
Checked my watch smoked another cigarette and  
waited  
Starin' up at the moon  
I was dreamin' of your tigerskin  
How you looked  
How it felt when you took me in  
Licking your silver spoon

I'll be thinkin' of you  
Thinkin' of me  
Thinkin' of you  
Next time round

I'll be thinkin' of you  
Thinkin' of me  
Thinkin' of you  
Next time round  
Next time round

BRIDGE

(Ahhhh)  
Yes I'll be thinkin' of you  
You'll be thinkin' of me  
Next time around  
Thinkin' of you  
Thinkin' of me

Thinkin' of you  
Thinkin' of me  
Thinkin' next time around

Thinkin' of me  
Thinkin' of me  
Thinkin' of you  
Thinkin' of you  
Thinkin' of me  
Next time round

Thinkin' of me  
Thinkin' of you  
Thinkin' of you  
Thinkin' of you  
Thinkin' of me  
Next time round  
Yeah  
Thinkin' of me  
Thinkin' of you  
Thinkin' of me  
Thinkin' of you  
Thinkin' of me  
Next time round
