I'd be a fool to doubt this feelin
I've got about her
I see drivin downtown
When she rolls the window down

Chorus:
I love what I see
Every time I see her lookin at me
Over here over there
Any ol where we might happen to meet
I can't account for the how's or the why's
All I know's I can believe my eyes

And I love what I see
Every time I see her lookin at me

That us'ly implies uncertainty
And I can say for a fact
Repeat Chorus:
