Chorus:

You got me right in the middle of where I wanna be
Making my every dream come true and living my
fantasy
All this kissin and a huggin beats all I've ever seen
Yeah, you got me right in the middle of where I wanna
be
Well, Five O'clock Friday
Things are goin my way
Headin for a long weekend
We've got ourselves a hot date
Ain't goin no place
Gonna stay home again
Don't need a dime to have a good time

Cause no matter what we do
There ain't nothin better than being together
And spendin my time with you

Repeat Chorus:

So long as I'm livin I'll be givin
All of my love to you
We got what it takes, we're here to stay
It'll last our whole life through
Repeat Chorus:
