It's just three hours from here
Love so far but so near
I left her in the dark
And now she thinks that I don't care
It's just a quarter to call
Wouldn't take long at all
And I could be home today
But I'm just three words away
Chorus:
Darling, I love you
Like nobody else can do
Three words, I was wrong
If you'll forgive me, I'll come back home
Cause darling, I need your love

My leavin didn't leave me with much
Girl, all I can say is I'm just three words away
It's just my love in the line
That's got me wonderin why
I left my heart and my soul
Down in Georgia last night
Yes, I'm a fool and I know
I may have to live with my mistake
SO if you want me, my love
I'm just three words away
Repeat Chorus:
