#### [ VERSE 1 ]

What could it be, y'all, massage oriental?  
[Ang]-Fu-Young rhyming over instrumentals?  
Never paid for ass, sent the geisha to the gogo  
Verbs drop solid, stimulate ya like a porno  
I hit the mental on the [ ] rental  
Used to stroke skins, to the [fredricks] I'll be gentle  
Many tried the technique, getting with the ill speak  
Lyrically correct, even when I take a leak  
So I zip my zipper, it's one for the gipper  
Daily routine for the malt liquor sipper  
So, how, did you get the verbals?  
Mr. Prime Minister who used to give the herbals  
Born, yes I'm born, you could say genetical  
When it comes to concepts, you could say my head's  
full  
Focus on the surface, not the shades of epidermes  
Verbals from the Prime and Daddy Rich'll get you  
nervous

#### [ VERSE 2 ]

Blind man bluffin, mr. puffy puffin  
The extra-strength lyrical soothin like a bufferin  
I huff and I puff, and I blow you out the box, and  
While the non-believers be the first people jockin  
I climb and I climb up the incline, I push  
I rhyme and I rhyme, then I push in the bush  
Versatile like a ginzu, gentle like a Hindu  
Foes try the suicide, jumpin out the window  
Life's a bitch, but you can change the channel  
What's a ball player if he ain't got a handle?  
Verbs flow over the beats by the Nuts, and  
If you got nothin, then your verbs'll get you somethin

#### [ VERSE 3 ]

I'm the verbal masseuse, quick to knock the boots  
Came to shed light on the doubt with some proof  
I go conjunction, junctions with the function  
[Ain't the two-bit] with the Jerry Kooney-punch, and  
1 to the 2, and the 3, and you're stuck up  
Honest Abe Lincoln, and I ain't the type to suck up

To the hip-hop, drop a verse on the drum kit  
Bring it to the Def Jam, and then release the fat shit  
Figure I'm bigger, you better pull the trigger  
I [ ] ya, and then I leave ya with the gravedigger  
Then you might see me soup you up like a wanton  
I soak up the knowledge, soak it up like a tampon  
Original flavor b.c. Fred and Wilma  
Cause yo, I drop my shit like the Long Don Silver  
I stagger, the track is movin similar to turtles  
It's fertile, I let loose the verbals
