Kevin P. Harloff/Jessica Rose
Hello I know you
Why are you there alone?
Where have I seen
You before?
Now I remember
You were my good friend
We had great times
Where did they go?
We are much older
Those days are past us now
Time went so fast
Why my good friend?
Why my good friend?
Why did it end?
It all went quick
Before I could blink my eyes
So many questions
To ask where to begin
I've missed so much
We agreed to stay friends
You have a family?
Three kids and married
I'm happy for you
Good luck with it all
I have to go now
So great to see you here
Hope it again
See you soon
Please do remember
All our days together
Keep them inside
I won't forget you
Why my good friend?
Why did it end?
It all went quick
Before I could blink my eyes
Good-bye my friend
It all ended
It all went quick
It was good to see you

one last time
