Now we have found the short simple ones... tearing me
down, pulling you up
IÃfÂ, 've never expected such a thing would happen...
nothing satisfies, nothing will...
CanÃfÂ, 't say iÃfÂ, 'm sorry... thatÃfÂ, 's where I draw
the line Taste and smell water from the well
Although IÃfÂ, 'm not exempt of blame... my thoughts
keep running on the past constantly
I wish that something would come along... to show me
the right kind of flavour
CanÃfÂ, 't say iÃfÂ, 'm sorry... thatÃfÂ, 's where I draw
the line Taste and smell water from the well
IÃfÂ, 'm so sorry... the dream that takes my all Taste
and smell water from the well
IÃfÂ, 've never expected such a thing would happen...
nothing satisfies, nothing will...

Welcome to fake your denial!
Welcome to face the aftermath!
