Condition: cold and expressionless Put the question of confidence Stretch out, extend... straight to the limit
A well groomed appearance provides your nasty things for pleasure The flight into a passion is still to come...
Well known as the stabbing outburst
Larger hearted... largest hearted... more large hearted
- Apoplexy
Man about town leaves his creative urge Condition:
extremely senile The fall into oblivion so absent - minded
Larger hearted... largest hearted... more large hearted
- Apoplexy... is still to come
