if you boost me up... I'll reach my hometown
Assure it is unlocked
Nourish my hope that increases your effectiveness...
point out a great deal in order to deceive
Under the counter it's easy to achieve
You're disgraceful!
So peculiar it provides my rank Drown the cause of
submission Where is the answer of stunnin' plan?
No treason after sunset... between you and me and the
gatepost I think it's just to close
You're disgraceful! Acts as a counterpoise to my
establishment!
if you boost me up... I'll reach my hometown
Assure it is unlocked
Nourish my hope that increases your effectiveness...
point out a great deal in order to deceive

Under the counter it's easy to achieve
You're disgraceful! Acts as a counterpoise to my
establishment!
