We're sold, we're done now  
Every moment feels the same  
The first time I saw you  
You were chasing down again

I'm not the one to provide  
I'm not the homicide  
You've got all you wanted  
Everything to hide

And now you know how to be dumb  
Everything will come undone  
I don't mind if I'll stay here out of time

Arms open, unspoken  
Every moment feels the same  
Capsize the tall tale but you will always fail

Sit down, you will fall apart?  
That's when the trouble starts  
From the top I counted you out  
Life can be so hard

And now you know how to be dumb?  
Everything will come undone  
I don't mind if I'll stay here out of time

We're sold, we're done now  
Every moment feels the same  
The first time I saw you  
You were chasing down again

I'm not the one to provide  
I'm not the homicide  
You've got all you wanted  
Everything to hide

Arms open, unspoken  
Every moment feels the same  
Capsize the tall tale but you will always fail

Sit down, you will fall apart?

That's when the trouble starts  
From the top I counted you out  
Life can be so hard
