See the lightning stars melting over my shoes All I have
to do is to get rid of you Oh, IÃƒfÂ, 've taken more than
you could ever give!

When I appeared with my great gouts of fear Out of
silence she crafted something new to disappear

Oh, what do you do when you just canÃƒfÂ, 't take it?!

WeÃƒfÂ, 've got bigger things to worry about now
anything this world has to offer... I'd give it all

Then comes the fury of the lullaby ItÃƒfÂ, 's gonna take
you away if you cry Oh, what do you do when you just
canÃƒfÂ, 't take it?!

IÃƒfÂ, 'd give it all to you... yes I do!
