

Harmful "Notwithstanding"

It seems like I have just a few more words to say
My hopeless tears based on the lack of extremes that I
feel... towards you
It took place... notwithstanding, I planned to leave...
notwithstanding
Covered with a pensive smile... I try to hide Look out
over the other side... where love rules undone
We're waiting for tomorrow... the day of all days
Notwithstanding... I planned to leave... notwithstanding
For a longer space a desert crosses the ocean of
frozen love
She seems to care... notwithstanding
I try to get rid of you naturally... 'cause I know love
offers no guarantee

Notwithstanding... I planned to leave... notwithstanding
For a longer space a desert crosses the ocean of
frozen love
She seems to care... notwithstanding
