

## Harmful "Parted"

Visit "[Parted](#)" on MotoLyrics.com

Driven by hate I can't ignore my lies, my truth, your  
help, your faith is mine  
Repent the things I've done... I hate to fear myself  
Abstract close impress unclear... excessive purpose  
being obscure  
My life... parted could never be one!  
Got to get from inside... parted... forced!  
Parted: your hate's all alone, mindlessness walks  
in, hope?  
Hope is gone...  
My life... parted could never be one!

Why don't you want me to be? Ignorant, false,  
wrong and mean? Can't understand what you  
think?  
Got to get from inside... parted... forced!
