A box of tricks troublesome, stunning certitude is takin'  
over

Passtime - personal generous and freely given Stop  
fiddling! Start to proffer!

As much as you can bare

It shows he wants more His mind is fixed.  
.. It shows you once more... an opaque fix

Troublesome, stubborn, setback is coverin' It comes,  
it swallows, quiet and solemnly

Stop fiddling! Start to proffer! As much as you can bare

Silent, putrid, silent it comes Putrid - a sudden setback
