(DJ Quik)

Lay there, please don't move baby.
on me, don't you stop.
Doggy, comin through baby
watch me hit the spot.
You make me wanna speak Spanish
you make me wanna be manish
nothing could compare to the way we keep it hot.
strawberries soakin in amaretto out in the limo.
Be spitty, got the car lookin pretty, in the window.
lets hit the indo.
commit a sin in this crescendo.
smoky, foggy
take off your coat, lets hit the doggy.
pull out your scrunchie, let me play through your mane
long, brown, nice and round, explorin my brain.
selective and picky when we get wet and get sticky.
in and out, without a clue, not even a hickey.
love it or leave it, addictive like crystal to meth
and it's hard to let go of me when I shift to the left.
never like what you're happy for, I'm more than a man.
I can even make you feel me when you're usin your
hand.
I'm confident, like an MVP
got the key to the CPT
lookin for a G like me
she F-E-M-A-L-E
where you be at?
true love only can be that.
I'm tellin you that you the shit.
call me when you get this hit.

(Chorus 1: DJ Quik)

Do I love her, do I need her? (Suga Free: nuh uh)
Do I take my money out and feed her? (no, no)
and should I treat her (no, no) like no other? (nah)
I don't know I think I need to ask my brother Suga Free.
(Chorus 1: Suga Free)
Do I love her? (uh huh)
Do I need her? (Oh, yeah)
and when she tells me she loves me, I don't believe her

(yeah, you do)
No I don't love her, (mmm hmm)
and I don't need her (Yeah, yeah)
And if she don't give me me money I'm a leave her.

(verse 2)
see baby, I got a spot to fill.
and all that callin me out my name gonna have you
runnin down the street barefooted again sayin "not for
real!"
and how you gonna blame mine?
Dawon and Suga Free the same person
but you will never catch me and him in the same room
at the same time
Baby, you not yo best, I called you
cuz I was broke, hoeless, and short on these little ends
and it wasn't for no sex.
I see you still messin wit yo phony ballers.
but when they tired of you
you run yo lil ass right back over here beggin me for 20
dollars.
and mighty funny (mighty funny)
you get nice than a mug with them hugs, actin like you
in love
with a nigga, when you love money.
what? you stuck?
hoe, if I tell yo flea to pull a tree
you get a chain and hook his lil ass up.
Quik'll give you a piece of his planet.
But I'll give you a dirt rock
half a low quat
not a dope spot
nor a piece of this pomegranet.
baby wanna eat-eat?
cuz Suga Free-Free
will go gleek-gleek
and tweak-tweak
and put yo all to sleep-sleep.
Ooh, I'm a tell (I'm a tell)
Suga Free pop a beat and spit a rap so swell.
she said, "suga free, you know anything about cars,
honey?"
I said, yeah, you fill em up with hoes
take em to the hoes store
so they can get that money!

(Chorus 2: DJ Quik)
Do I love her do I need her? (suga free: uh uh)
Do I take my money out and feed her? (no way)
and do I treat her (no) like no other (man)
I don't know I think I need to ask my brother suga free.

(Chorus 2: Suga Free)

Aah, do I love her do I need her? (DJ Quik: Oh, yeah)
and when she tell me she love me I don't believe her
(yea you do)

Do I love her? (mmm hmm) Do I need her? (fo sho)
Leave me 'lone, leave me 'lone, Devil be gone! I'm
leaving (yeah)

(DJ Quik, talking)

Suga Free.

We told y'all we was magical, way back in 1996.

But y'all didn't feel that. Y'all chose to sleep on us.

(Chorus 3: Suga Free)
