Sneakin' in another morning
Blacked out again 'til early dawn
Then I hear you scream as I slip down
Through the hall
"Don't need your lies I've heardem all"
This time I know your not foolin'
Won't take the heartache no more
Your tears have fallen for the last time
And I know you can't go on, when I'm doing you wrong

Don't turn your back on me
'Cause if you leave me now I'd be lost forever
Don't turn your back on me
Get down on my knees and beg you baby
Please don't go

Scars of pain you try to cover
My fits of passion don't belong
In this so-called love, just so misunderstood
Your peace of mind's already gone
Try knockin' down the walls of madness
Like squeezin' blood from a stone
When there's no sympathy for leavin'
Decit and lies have taken the toll

Don't turn your back on me
'Cause if you leave me now I'd be lost forever
Don't turn your back on me
Get down on my knees and beg you baby
Please don't go

Try knockin' down the walls of madness
Like squeezin' blood from a stone
Your tears have fallen for the last time
Without you here, I can't go on

Don't turn your back on me
'Cause if you leave me now I'd be lost forever
Don't turn your back on me
Get down on my knees and beg you baby
Please don't go
