I used to know better
Now I don't know what's worse
Having it all maybe
Or having nothing for sure

Shoot for the moon
Getting lost in the clouds
I'd like to land but I
Can't see where I'm coming down

My baby
Do you understand
What I'm going through?
Oh, my baby

Searchin' my soul
And the answer's the same
I'm in control but I
Don't know the rules of the game

One step ahead
We take two steps back
I get the picture but it's
Always fading to black

My baby
Do you understand
What I'm going through?
Oh, my baby, oh, oh, oh

Well, searchin' my soul
And the answer's the same
I'm in control but I
Don't know the rules of the game

One step ahead
I take two steps back
I get the picture but it's
Always fading to black
Yes, always fading to black

Woman keep me warm

Woman keep me warm
Caught in this chain and it's all the same
Woman keep me warm

Woman keep me warm
Woman keep me warm
Woman keep me warm
Woman keep me warm
We're caught in this chain and it's all the same
Woman keep me warm
