It seems like happiness is just a thing called Joe
He's got a smile that makes the lilacs want to grow
He's got a way that makes the angels heave a sigh
When they know, little Joe's passin' by

Sometimes the cabin's gloomy and the table's bare
But then he'll kiss me and it's Christmas everywhere
Trouble's fly away and life is easy go
Does he love me good, that's all I need to know

Seems like happiness is just a thing called Joe

Sometimes the cabin's gloomy and the table's bare
But then he'll kiss me and it's Christmas everywhere
Trouble's fly away and life is easy go
Does he love me good, that's all I need to know

Seems like happiness is just a thing called Joe

Little Joe, my little Joe, little Joe
