I gotta right to sing the blues  
I gotta right to feel low down  
I gotta right to hang around  
Down around the river

A certain man in this old town  
Keeps draggin' my poor heart around  
All I see, for me is misery

I gotta right to sing the blues  
I gotta right to moan and sigh  
I gotta right to sing and cry  
Down around the river

I know, I know the deep blue sea  
Will soon be callin', callin' me  
It must, it must be love, say what you choose  
I gotta right to sing the blues

All I see, for me  
All I see, for me is misery  
And misery, misery

I gotta right to sing the blues  
I gotta right to moan and sigh  
I gotta right to sing and sigh  
Down around the river

I know the deep blue sea  
Will soon be callin' me  
It must be love, say what you choose  
I gotta right to sing the blues

It must be love, say what you choose  
I gotta right to sing the blues  
All I see, for me is nothing but plain misery  
I gotta right to sing the blues

I gotta right, I gotta right  
I gotta right, I gotta right  
I gotta right to sing the blues  
I gotta right to sing the blues
