You're clear out of this world  
When I'm looking at you  
I hear out of this world  
The music that no mortal ever knew

You're right out of a book  
The fairy tale I read when I was five  
No armored knight out of a book  
Was more enchanted by a lorelei  
Then i

After waiting so long  
For the right time

After reaching so long for a star  
All at once from long and lonely night time  
And despite time, here you are

I cry, "out of this world"  
If you said we were through  
So let me fly out of this world  
And spend the next eternity or two  
With you
