When the sun comes out
And the rain stops beating on my window pane
When the sun comes out
There'll be bluebirds 'round my door, singing like they
did before

That old storm broke out
And my man went off and left me in the rain
Though he's gone I doubt
If he'll stay away for good, I'd stop living if he would

Love is funny
It's not always peaches, cream and honey
Just when everything looked bright and sunny
Suddenly the storm clouds came
I'll never be the same

'Til the sun comes out
And the rain stops beating on my window pane
If my heart holds out
Let it rain and let it pour
There'll be bluebirds 'round my door

Love is funny
It's not always peaches, cream and honey
Just when everything looked bright and sunny
Suddenly the storm clouds came
I'll never be the same

'Til the sun comes out
And the rain stops beating on my window pane
If my heart holds out
Let it rain and let it pour
It will not be long before
There's a knocking at my door
And you'll know the man love
Walked in when the sun comes out
