'It all started out so innocently  
You were just another pretty face  
That I loved to see  
But somewhere down the line  
I got this feeling deep inside  
That won't stop talking to me  
Yeah, it won't stop talking to me

But lately I've started to dream  
About you and me  
And how it would be  
To hold you close to me  
Like it's supposed to be  
But then I get this singin' in my head  
And it brings me right back to reality  
Oh, reality  
Yeah

Would you bat your eyes and smile  
And kiss me like it was in style  
And tell me you feel the same, yeah  
Would you be suprised and yet uncomfortable  
If I were to send my heart your way  
What should I do  
I'm falling in love with you

But lately I've started to dream  
About you and me  
And how it would be  
To hold you close to me  
Like it's supposed to be  
But then I get this singin' in my head  
And it brings me right back to reality  
Oh, reality  
Yeah

Help me, I think I'm falling  
In love with you  
Help me, I think I'm falling, yeah  
In love with you, yeah  
In love with you, yeah, yeah  
Love with you, yeah'
