Last night I wasn't sleeping
I knew it was my last
I've just been lying thinking
Reliving all my past
My family and friends have left
My children are all lost
And now I'm standing in a death cell
As the sands of time fall fast
My poor heart it is thumping
My head is fit to flood
To feel that rope around my neck
And know it's there for good
I know that I am innocent
And no one's understood
And now I'm standing on the gallows
To be murdered in cold blood
We are creatures of darkness
Killers of time
We are creatures of darkness
Bodies in lime
Hangman oh hangman

How sleepless is your bed
I can't believe my own ears
My heart is full of lead
That you'd apply and get the job
Of pulling off my head
And leave me kicking in the darkness
Splattering the walls with blood
Hangman oh hangman
You're working in the shade
For creatures of the jungle
Whose message is displayed
In graphic tones of blood revenge
All down the civil blade
And you're the creasy little monkey
Who murders to be paid
And in about six minutes time
I'll be thrown into the lime
By the screws who dug my grave
Who never felt the shame
Who threw me in still breathing
As they covered me with slime
And stuck me on a map in the governors office
A number with no name
We are creatures of darkness
Killers of time

Creatures of darkness

Bodies in lime

And as true as I stand here

I would wish to be untied

To rip those lies clean out your throats

That my death might somehow be justified

There's no unconsecrated ground

In my heart or in my mind

I lived and died in a world full of snakes

And I'm buried in a vicious lie

We are creatures of darkness

Killers of time

Creatures of darkness

Bodies in lime
